Submitted at Meeting Copy of Proclamation for Las Vegas High School Alumni Association

Minutes:

MAYOR PRO TEM REESE invited ROLLIE GIBBS, President of the Las Vegas High School Alumni Association, to the podium. The Las Vegas High School Alumni Association is a community group that stays in touch with its alma mater and is always available to help current and former students. The group also promotes the historical significance of the high school, and raises funds for mentoring and scholarship programs. Every year the alumni association hosts the annual "Wildcat Reunion" and this year the guests of honor will be the undefeated, unscored upon 1944 State Champion football team. The reunion will be held on September 11.

MR. GIBBS was honored for the recognition and indicated it has been a pleasure for the alumni association to have had a float in the Hellorado Parade for the past two years.
