

**FIRST ADDENDUM TO THE SECOND AMENDMENT TO THE INTERLOCAL
COOPERATIVE AGREEMENT ESTABLISHING THE CLEAN WATER COALITION
DATED JANUARY 4, 2007**

This FIRST ADDENDUM TO THE SECOND AMENDMENT TO THE INTERLOCAL COOPERATIVE AGREEMENT ESTABLISHING THE CLEAN WATER COALITION DATED JANUARY 4, 2007 ("First Addendum") is dated this _____ day of _____, 2010 by and among the City of Las Vegas (the "City"), the City of Henderson ("Henderson"), the City of North Las Vegas ("NLV"), and the Clark County Water Reclamation District ("CCWRD") (formerly the Clark County Sanitation District), all of which are political subdivisions of the State of Nevada. The City, Henderson, NLV and CCWRD may hereinafter be referred to individually as a Party or a Member, or collectively as the "Parties" or "Members."

RECITALS

A. While each of the Members share a common environmental, economic and regulatory interest in the efficient and responsible collection, treatment, reuse and discharge of municipal effluent, one or more Members could find it to be more cost-effective to manage the collection, treatment, reuse and discharge of municipal effluent by using existing Member-owned wastewater treatment facilities.

B. However, Section 18.2 of the Second Amendment to the Interlocal Cooperative Agreement Establishing the Clean Water Coalition dated January 4, 2007, only permits the withdrawal of a Member upon "such terms and conditions as may be specified in an agreement of withdrawal executed by all Members." This subsection makes it extremely difficult for a Member to withdraw.

C. While the intent of subsection 18.2 was originally intended to make it difficult for a Member to exit the consortium of Members, the Members now realize in this difficult economic climate that a Member should not be required to remain a Member of the CWC unless it is in the interests of that Member's citizenry. One or more Members may decide that the fees required to remain a member of the CWC are not cost-effective, and that the savings achieved by withdrawing from the CWC could be passed back to that Member's citizenry through reductions in connection fees and monthly usage charges.

D. The Members now desire to append the Second Amendment to the Interlocal Cooperative Agreement Establishing the Clean Water Coalition dated January 4, 2007 (the "CWC Interlocal") to permit a Member to withdraw at will upon a period of required notice to the other Members. This First Addendum is meant to accomplish that desire.

8. The Members hereby amend Section XVIII of the CWC Interlocal as follows:

Section XVIII

Withdrawal or Termination

18.1 The CWC shall continue in existence until dissolved in accordance with terms of this Section.

~~18.2 A Member may withdraw from CWC on such terms and conditions as may be specified in an agreement of withdrawal executed by all Members.~~

18.32 This Amended Agreement may be rescinded and the CWC terminated by a written agreement of termination executed by all Members except during the term of any outstanding indebtedness incurred by or at the request of the CWC or for which the CWC is otherwise responsible, unless such indebtedness is dealt with in a manner satisfactory to the holder or holders of such debt and satisfactory to all of the Members. This section does not apply to the opportunity for any Member to withdraw, as provided by subsection 18.4, below.

18.43 On termination of the CWC, all of the assets of the CWC shall be disposed of in accordance with the above-referenced written agreement of termination.

18.4 Withdrawal of a Member. Notwithstanding 18.1 or 18.2, a Member may withdraw from the CWC and entirely terminate its relationship with the CWC for any reason, or no reason at all, upon sixty (60) calendar days written notice to the General Manager of the CWC.

The General Manager is hereby authorized and shall refund the withdrawing Member's proportionate share of the total of the CWC's cash and cash equivalents within seven (7) calendar days after the last day of the withdrawing Member's membership in the CWC, without the need for specific Board authorization as follows:

18.4.1 Refund of monies to a Withdrawing Member. A withdrawing Member is entitled to a refund of that Member's contribution to the CWC and the SCOP project on a based upon its proportionate total "amount of contribution" to the CWC. This total includes any and all monies provided to the CWC by a Member, specifically including any monies collected by the CWC that exceed the yearly budget for CWC operations.

For purposes of this subsection, the "amount of contribution" to the CWC is to be calculated upon the following percentages, which are equivalent to the total contributions by each Member into the CWC since the inception of the CWC. Upon withdrawal, each Member is entitled to a refund of monies in the following percentage of all cash or cash equivalents held by the CWC:

<u>18.4.1.1</u>	<u>CCWRD</u>	<u>52%</u>
<u>18.4.1.2</u>	<u>City of Las Vegas</u>	<u>27%</u>
<u>18.4.1.3</u>	<u>City of Henderson</u>	<u>12%</u>
<u>18.4.1.4</u>	<u>City of North Las Vegas</u>	<u>9%</u>

The General Manager may withhold from this required refund a withdrawing Member's proportionate share of the budgeted costs for day-to-day CWC operations for the remainder of the fiscal year in which the withdrawing Member terminates its membership in the CWC in the same proportion as indicated above.

As an example, if NLV was to terminate its relationship with the CWC, and there was a total of Sixty Five Million Dollars (\$65,000,000.00) in cash and cash equivalents held by the CWC, and the operating budget for the CWC that fiscal year was Four Million Dollars (\$4,000,000.00), and NLV terminated its relationship with the CWC with 6 months remaining in the fiscal year, NLV would be entitled to a 9% refund (\$65M x 9% = \$5,850,000.00), minus NLV's 9% share of that fiscal year's remaining operating costs for the CWC (\$4M x 50% of the year x 9% = \$180,000.00), for a total of \$5,670,000.00.

18.4.2 Notwithstanding the dispute resolution language at Section XX herein, any dispute between a withdrawing Member and the CWC regarding a withdrawing Member's refund shall not be forwarded for Board resolution or arbitration or mediation as provided by Section XX. If the General Manager fails to refund the necessary amount of money to a withdrawing Member as provided above, such withdrawing Member may immediately avail itself any judicial remedy available to it under Nevada law, including, but not limited to an action before the Eighth Judicial District Court, Clark County, Nevada.

18.4.3 Refund of Individual Connection Charges Pursuant to Law. For seven hundred-thirty (730) calendar days after the withdrawal of a Member from the CWC pursuant to this section 18.4, the CWC shall recognize any proper refund request for connection fees from a person within the jurisdiction of the withdrawing Member, provided that the withdrawing Member approved the refund of such connection fees pursuant to its municipal code, rules or regulations, whichever applies to such refund request.

9. CWC Interlocal Terms Remain Unchanged.
