Dear Friend:

Thank you for sending me materials to review. I appreciate hearing from you.

I am encouraged by the outpouring of messages and suggestions from Americans across the country. Some comments are supportive, others are critical, but all reflect the desire of Americans to participate in a dialogue about our common concerns and challenges. Thank you again for contacting me and for your continued participation.

Sincerely,

Dear Hodges Family:

Johnnie Crean urgently needs your vote and the vote of every Republican in your area to win his campaign for Congress.

The extensive business background which he developed in building a successful manufacturing firm will be an asset in Congress. This experience has given him the understanding of how jobs are created and, much to his credit, his firm has produced many jobs.

The choice for Republicans is clear. I don't think you agree with the old politics of big spending, higher taxes and more government interference in our lives. Johnnie believes as I do in the need to trim the waste in government, beef up our national defense and reduce income taxes for all Americans.

Johnnie will do an outstanding job as your Congressman. He will be a hard working, effective and dedicated representative for you and all of California and the 43rd Congressional District.

Your vote is very important in this election. Please use it to send Johnnie Crean to Washington to help me.

Sincerely,

Ronald Reagan

Dear Mr. Hodges:

I want to thank you for your thoughtfulness in wanting Amy Carter to have the winning car in last year's soapbox derby. As was explained to you, President and Mrs. Carter have decided that neither they nor members of their family should accept personal gifts. We hope you will understand this decision and know that the photographs you included will serve as lasting reminders of your friendship and goodwill.

With best wishes,

Sincerely,

Rhonda Bush

Dear Mr. Hodges:

I am writing to acknowledge your letter regarding an honorary appointment to the United States Border Patrol. Please excuse the delay in responding to your request.

I regret that my staff has learned that the Border Patrol does not maintain any positions for an honorary capacity.

I do wish to thank you for your continued efforts on the part of the children of San Diego. I hope you will continue to volunteer your services to children and senior citizens. Our nation is well-served by such efforts.

Sincerely,
