In celebration of Hispanic Heritage Month, established to honor the independence of five Latin American countries, COUNCILMAN REESE called forward and presented RIGO MALDONADO with a Certificate of Appreciation for his tireless work as coordinator of the Ballet Folklorico Xyachimal and organizing neighborhood events, of which a video was shown.

Sequentially, COUNCILMAN REESE recognized PRISCILLA ROCHA and presented her with a Certificate of Appreciation for her dedication to the Hispanic community and for starting the Gang Alternative Program, through which the Ballet Folklorico Xyachimal was founded, to steer troubled youth in the right direction.

MS. ROCHA felt honored to be COUNCILMAN REESE'S friend, and she thanked him and SUSIE MARTINEZ, Ward 5 Liaison, for all they have done for the Hispanic community and Ward 5. She invited everyone to attend the celebration of the Mexican Revolution and the Mexican Bicentennial on 11/20/2010 at the East Las Vegas Community Center.
