

RESOLUTION NO. R-61-2010

A RESOLUTION MAKING A PROVISIONAL ORDER TO THE EFFECT THAT CERTAIN IMPROVEMENTS IN THE CITY SHALL BE ACQUIRED PURSUANT TO THE CONSOLIDATED LOCAL IMPROVEMENTS LAW TO BE KNOWN AS CITY OF LAS VEGAS, NEVADA, SPECIAL IMPROVEMENT DISTRICT NO. 1519 SIDEWALK INFILL - OAKLEY BOULEVARD (WEST OF RANCHO DRIVE) AND 11TH STREET (NORTH OF CHARLESTON BOULEVARD); AND CALLING A HEARING ON THE PROJECT.

Summary: Provisional Order

WHEREAS, the City Council of the City of Las Vegas (hereinafter the "City Council" and "City", respectively) in the County of Clark and the State of Nevada, is of the opinion that the interest of the City requires the creation of a special improvement district pursuant to the Consolidated Local Improvements Law (NRS Chapter 271) and the acquisition and improvement of a Sidewalk Project as defined in NRS 271.205 (collectively, hereinafter the "Project"); and

WHEREAS, the Director of Public Works, together with the City Engineer Division of the City (collectively, hereinafter the "Engineer"), has filed at the office of the City Clerk, in connection with the Project and with the proposed City of Las Vegas, Nevada, Special Improvement District No. 1519 Sidewalk Infill – Oakley Boulevard (west of Rancho Drive) and 11th Street (north of Charleston Boulevard) the following:

(A) Preliminary plans and specifications showing a typical section of the contemplated improvements, the type or types of material, approximate thickness and wideness for the Project;

(B) A preliminary estimate of the total cost of the Project and of each type of construction, the estimate being made in a lump sum or by unit prices, and further, including in the total estimate, without limiting the generality of the foregoing, the advertising, appraising, engineering, legal, interest on interim warrants, if any, discount on any bonds, printing, and such other expenses as in the judgment of the Engineer are necessary or essential to the completion of such work or improvement, and the payment of the cost thereof;

(C) An assessment plat or map, including an addendum thereto (designated as a "Tabulation of Parcels") showing the descriptions of the property to be assessed, showing the area to be assessed, the market values, a description of each lot, tract or

parcel of land, the name and address of each owner, the amounts of estimated preliminary assessments, the amount of maximum benefits (and corresponding market value increases) estimated to be assessed against each lot, tract or parcel of land in the assessment area, such estimate being based on the method of assessment set forth herein (an equitable adjustment having been made for assessments to be levied against wedge or "V" or other irregularly-shaped lots or lands, or for any lot, tract or parcel of land not specially benefited for other reasons in direct proportion to its front footage, so that assessments according to benefits will be equal and uniform); and

(D) The Engineer's Report to the City Council on Benefits, as to the method of determining benefits and corresponding market value increases and as to whether the creation of the District is economically sound and feasible; and

WHEREAS, the City Council has examined the improvement plans, assessment plat, typical section of contemplated improvements, preliminary estimate of the cost, estimate of maximum benefits, and Engineer's Report, so filed with the City Clerk, and has found, and does hereby declare the same to be satisfactory in all respects; and

WHEREAS, the City Council has also determined, and does hereby determine, that all of the assessable property in the City which is specially benefited by the improvements to be acquired in the Special Improvement District No. 1519 Sidewalk Infill – Oakey Boulevard (west of Rancho Drive) and 11th Street (north of Charleston Boulevard) and only the property which is so specially benefited, is included in the District; and

WHEREAS, a portion of the property to be included within the proposed District is located in the City; and

WHEREAS, pursuant to NRS 271.015 the City may assess property which is located without the City boundaries with the consent of the County; and

WHEREAS, the City Council has determined and does hereby determine that the exception provided by NRS 271.306(2)(b) does exist in that not more than 2,640 feet remain unimproved in any street between improvements already made to the same street or between intersecting streets.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LAS VEGAS IN THE COUNTY OF CLARK, AND THE STATE OF NEVADA THAT:

Section 1. The special improvement district shall be designated "City of Las Vegas, Nevada, Special Improvement District No. 1519 Sidewalk Infill – Oakey Boulevard (west of Rancho Drive) and 11th Street (north of Charleston Boulevard)" (hereinafter the "District").

Section 2. This Resolution shall be known as, and may be cited by, the short title "Special Improvement District 1519 Provisional Order Resolution" (hereinafter the "Resolution").

Section 3. The City Council hereby ratifies the preparation by the Engineer of and does accept, the plans and specifications, assessment plat, typical section of the contemplated improvements, preliminary estimate of cost, the Engineer's Report on Benefits, and the estimate of maximum benefits (and corresponding market value increases) to be assessed against each lot, tract, or parcel of land in the assessment area.

Section 4. The Project shall be acquired at an estimated preliminary total cost of \$ 31,294.78 including engineering, legal, and incidental expenses, as more particularly hereinafter set forth and as described in the plans and specifications herein accepted, reference to which is hereby made and which are available for public inspection at the office of the City Clerk at 400 Stewart Avenue, Las Vegas, Nevada 89101.

Section 5. The City Council has also determined and does hereby declare as follows:

1. The public convenience and necessity require the creation of the District and construction of the Project;
2. The creation of the District is economically sound and feasible; and
3. The market value of each of the benefited lots, tracts and parcels of land in the District will be increased by an amount directly attributable to the Project for which the assessment is made.

Section 6. The boundaries of the District, within which is located the Project and the lots, tracts and parcels of land to be assessed, shall be as designated in the form of notice set forth in Section 7 of this Resolution. It is estimated that the total cost shall be apportioned as follows:

Estimated Amount of Special Assessments	Amount Available from Other Sources	Total Cost
\$ 31,294.78	\$ 0.00	\$ 31,294.78

The amounts to be assessed shall be made upon all tracts benefited in proportion to the special benefits received, as more fully described in the form of notice set forth in Section 7 of this Resolution.

Section 7. On Wednesday, October 20, 2010, at 1:00 p.m. in the City Council Chambers, 400 Stewart Avenue, Las Vegas, Nevada (i.e., a time at least 20 days after the adoption of this Resolution) the City Council will consider the ordering of the Project and will hear all complaints, protests, and objections that may be made in writing, and filed as hereafter provided, or made verbally at the hearing, concerning the same, by the owners of land to be assessed or any interested person. The owners of the property to be assessed or any other persons interested therein, may file a written protest or objection, and may appear before the City Council and be heard as to the propriety and advisability of making such improvements, as to the estimated cost thereof, as to the manner of payment therefor, as to the amount thereof to be assessed against the property to be improved, and as to the amount of special benefits and corresponding market value increases. Twenty (20) days' prior notice, in writing, of such time and place shall be given to such property owners, postage prepaid, as first-class mail, to each property owner at his last known address, the names and addresses of such property owners are to be obtained from the records of the County Assessor or from such other sources as the City Clerk deems reliable. Such notice shall also be given to the owner and each tenant of mobile home parks, if any, located on any tracts to be assessed. Any such list of names and addresses may be revised from time to time, but such list need not be revised more frequently than at twelve month intervals. Notice shall also be given by posting on the web site of the City, or in three (3) public places located on public property at or near the site of the Project at least twenty (20) days prior to October 20, 2010. Proof of such mailing and posting shall be made by the affidavit of the City Clerk or Deputy City Clerk, proof of same to be filed with the City Clerk, provided that failure to mail such notice or notices shall not invalidate any assessment nor any other of the proceedings hereunder. Notice of the time and place of such hearing shall also be given by publication in the Las Vegas Review-Journal, a daily newspaper published in Las Vegas and of general circulation in the City of Las Vegas, Nevada, once each week for three (3) consecutive weekly publications, by three (3) weekly insertions, the first publication in such newspaper to be at least fifteen (15) days prior to October 20, 2010. Not less than fourteen (14) days shall intervene between the first publication and the last publication in such newspaper. Such service by publication shall be verified by the affidavit of the publishers and filed with the City Clerk. The proof of publication, the proof of mailing and

the proof of posting shall be maintained in the records of the office of the City Clerk until all the assessments pertaining to the District shall have been paid in full principal, interest and any penalties or collection costs. Said notice shall be in substantially the following form:

(Form of Notice)

NOTICE OF HEARING ON PROPOSED PROJECT AND ASSESSMENTS WITHIN
THE PROPOSED CITY OF LAS VEGAS, NEVADA SPECIAL IMPROVEMENT
DISTRICT NO. 1519 SIDEWALK INFILL - OAKLEY BOULEVARD (WEST OF RANCHO
DRIVE) AND 11TH STREET (NORTH OF CHARLESTON BOULEVARD)

NOTICE IS HEREBY GIVEN to the property owners within the proposed City of Las Vegas, Nevada, Special Improvement District No. 1519 Sidewalk Infill – Oakley Boulevard (west of Rancho Drive) and 11th Street (north of Charleston Boulevard) (hereinafter the "District") and to all interested persons that:

The City Council of the City of Las Vegas (hereinafter the "City Council" and "City", respectively) in the County of Clark and the State of Nevada, has provisionally ordered the acquisition of a Street Project (collectively, the "Project") as more particularly described as follows:

Oakey Boulevard (NORTH SIDE) - from the centerline of Rancho Road west along Oakey Boulevard approximately 370-feet (80-foot right-of-way).

11th Street (EAST SIDE) - from the centerline of Bonneville Avenue south approximately 220-feet (80-foot right-of-way).

Except as shown on the preliminary plans and specifications now on file in the office of the City Clerk and in the office of the Special Improvement District in Las Vegas, Nevada, the character of such Project shall be described more particularly as follows: The improvements on Oakley Boulevard will consist of sidewalk and a handicap ramp. The improvements on 11th Street will consist of sidewalk. THE CITY HAS NO OBLIGATION TO PROVIDE WATER OR SEWER SERVICE TO ANY PROPERTY WITHIN THE DISTRICT REGARDLESS OF WHETHER THE CITY COUNCIL PROCEEDS WITH ALL OR ANY PART OF THE PROJECT.

The preliminary estimated total cost of the Project and the amount to be assessed is as follows:

Estimated Amount of Special Assessments	Amount Available from Other Sources	Total Cost
\$ 31,294.78	\$ 0.00	\$ 31,294.78

The amounts to be assessed for the improvements in the District will be levied upon all tracts in the District, i.e., upon all abutting tracts in proportion to the special benefits derived (as shown by the estimated benefits and corresponding market value increases). However, an equitable adjustment will be

made for assessments to be levied against wedge or "V" or other irregularly shaped lots or lands, if any, and for any lot, tract or parcel not specially benefited by the improvements so that assessments according to benefits are to be equal and uniform. The portion of the costs to be assessed against and the maximum amount of benefits estimated (and corresponding market value increases) to be conferred upon each piece or parcel of property in the District is stated in the assessment plat and addendum thereto designated "Tabulation of Parcels" or preliminary assessment roll. In cases of wedge or "V" or any other irregularly shaped tracts, the amount apportioned thereto shall be in proportion to the special benefits thereby derived.

The assessments will be levied on a front foot basis, provided that those tracts which front a cul-de-sac and which abut or front a street or streets being improved will be assessed on a "unit lot" basis, i.e., all lots abutting the cul-de-sac are to be assessed the same amount based upon the front footage of those lots abutting the street or streets being improved which also abut the cul-de-sac. Each property owner will be assessed for the cost of a full width street pavement section, curb and gutter, sidewalks, driveway approaches and streetlights, where not already existing. The owners of property who elect to have water or sewer laterals installed will be assessed per foot of lateral installed on a per service or unit lot basis.

The boundaries of the District shall be the exterior boundary of each parcel of property fronting a street to be improved by the improvements or fronting a cul-de-sac which abuts or fronts a street to be improved by the improvements.

All persons interested are hereby advised that the preliminary plans and specifications (showing a typical section of the contemplated improvements) and the assessment plat, including a tabulation of parcels or preliminary assessment roll, a preliminary estimate of the total cost, a description of the lots, tracts and parcels of land to be assessed, the portion of the cost to be assessed thereagainst, and the amount of maximum benefits (including the corresponding market value increases) estimated to be conferred on each piece or parcel of property, the Engineer's report as to the method of determining benefits, and all proceedings in the premises are on file in the office of the Special Improvement District, Department of Public Works, and at the office of the City Clerk, 400 Stewart Avenue, Las Vegas, Nevada. All of the foregoing can be seen and examined by any property owner or other interested persons during regular business hours, from 8:00 a.m. to 5:00 p.m., Monday through Friday.

On Wednesday, October 20, 2010 at 1:00 p.m., in the City Council Chambers at 400 Stewart Avenue, in Las Vegas, Nevada, the City Council will consider the ordering of the proposed Project, and will hear all complaints, protests and objections that may be made in writing and filed as hereafter provided, or made verbally at the hearing, concerning the same, by the owner of any tract to be assessed or any interested person. The owners of the property to be assessed, or any other person interested therein, may appear before the City Council and be heard as to the propriety and advisability of acquiring and improving such Project, as to the estimated cost thereof, as to the manner of payment therefor, as to the amount thereof to be assessed, the benefits estimated to be conferred against each tract, and the corresponding market value increases expected for each tract in the District.

The City Council requests that any property owner or interested person wishing to protest or object, do so in writing at the office of the City Clerk at least three (3) days before the time set for such hearing, i.e., on or before Friday, October 15, 2010. On the date and at the time and place fixed for such hearing, any and all property owners interested in the Project may, by written complaint, protest or objection, present their views to the City Council, or present them orally, and the City Council may adjourn the hearing from time to time to discuss and consider said issues before it. Any person filing a written protest or objection as hereinabove provided, shall have the right within thirty (30) days after the City Council has finally passed on such protest or objection to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination, but thereafter, all actions or suits attacking the validity of the proceedings and the amount of benefits shall be perpetually barred. A PROPERTY OWNER'S ONLY CHANCE TO PRESENT EVIDENCE TO DEMONSTRATE THAT HIS OR HER ESTIMATED ASSESSMENTS ARE EXCESSIVE WILL BE AT THE PUBLIC HEARING AND A PROPERTY OWNER WILL NOT BE ABLE TO PRESENT ANY ADDITIONAL EVIDENCE UPON SUBSEQUENT APPEAL TO DISTRICT COURT.

A person should object to the formation of the District, using the procedure outlined in this notice, if his support for the District is based upon a statement or representation concerning the Project that is not contained in the language of this notice.

If a person objects to the amount of maximum benefits estimated to be assessed or to the legality of the proposed assessments in any respect:

- (1) He is entitled to be represented by counsel at the hearing;

(2) Any evidence he desires to present on these issues must be presented at the hearing; and

(3) Evidence on these issues that is not presented at the hearing may not thereafter be presented in an action brought pursuant to NRS 271.315.

The City Council has determined and does hereby determine that the exception provided by NRS 271.306(2)(b) does exist in that not more than 2,640 feet remain unimproved in any street between improvements already made to the same street or between intersecting streets, (which exception is that the City, at its option, may proceed with the improvements in the District regardless of the percentage of protests).

After such hearing, the City Council shall determine the advisability of undertaking each part of the Project, and, if it determines to proceed, shall determine the kind and character of such improvements to be made, and shall authorize the advertising for bids for performing such work and furnishing all necessary materials with the lowest and best bidder or bidders. The City Council may determine not to proceed with all or any part of the Project regardless of the protests or objections.

After the determination of the actual cost of the Project, assessments shall be levied in accordance with the laws of the State of Nevada. In no event shall the assessments exceed the estimated maximum special benefits to the property assessed or the reasonable market value of the property being assessed (as determined by the City Council). The City Council shall provide that the assessments may be payable without interest and without demand during a specified cash payment period and the City Council shall provide that the assessments may be paid at the election of the owner in twenty (20) substantially equal semi-annual installments of principal and interest. The City Council shall also provide the time and terms of payment of such assessments and shall fix penalties to be collected upon delinquent payments (at a rate not exceeding two percent (2%) per month or such lower rate, may be zero percent, for such period as determined by the City Treasurer). The City Director of Finance and Business Services shall also provide the rate of interest on unpaid installments of assessments, which will not exceed the maximum rate of interest permitted under the statutes of the State. If assessment bonds are issued, such rate will not exceed by more than 1% of the highest rate of interest on the assessment bonds for the District. The effective interest rate on the assessment bonds of the District will not exceed the statutory maximum rate, i.e., will not exceed by more than 3% the "Index of Twenty Bonds", which

shall have been most recently published before the time bids for the bonds are received, or at the time a negotiated offer for the sale of such bonds is accepted. If assessment bonds are not issued, such rate shall not exceed 9%.

Pursuant to NRS 271.357 and NRS 271.360, the City has established a procedure to allow any person whose principal residence will be included in the District to apply for a Hardship Determination. Any assessment against property for which an application for Hardship Determination has been approved by the City Council shall be postponed, but the owner shall make payments of interest on the unpaid balance of previous and current assessments at the same rate and terms as are established for other assessments in the manner provided. The assessment shall remain postponed until the earlier of the following occurrences: (a) the property is sold or transferred to a person other than one to whom a Hardship Determination has been granted; (b) the term of the bonds expires; (c) the property owner's application for renewal of the Hardship Determination is disapproved; (d) the property owner fails to pay interest on the unpaid balance of assessments in a timely manner; or (e) the property owner pays all previous and current assessments. A person desiring to apply for a Hardship Determination shall file an application no later than October 15, 2010, with the Clark County Department of Social Services, 1600 Pinto Lane, Las Vegas, Nevada 89106, (702) 455-8687.

By order of the City Council of the City, Nevada, and dated this September 15, 2010.
