Re: Dustin Hill

To Whom it May Concern:

Dustin Hill has been employed at this establishment since 4-12-10. He is an excellent bartender and has been an exemplary employee. He is well liked by customers and co-workers alike. We have been impressed by his professionalism and cooperative spirit.

Unfortunately, we have only been able to schedule him on a part-time basis. During these tough economic times there are very few shifts that come open for him to work. Should that situation ever change, we would welcome Dustin as a permanent member of our staff. In the mean time, we feel Dustin would be a valuable addition to any other location as a bartender or server.

Sincerely,

Andy Brusca, Bar Manager
