RE: 6791 Sierra Trail
Las Vegas, NV

To City of Las Vegas,

While I am representing my mother Sandra Lippincott, in regards to the existing storage facility located on her property, we have learned that a variance is needed to keep this building in compliance with the City of Las Vegas. The building has been located in the southeast corner of her property since 1979. My father had the shed built back when the parcel was located in the County, but has since been annexed into the City. We have searched for a copy of the original permit to no avail, and due to the fact that he passed away in 2005, have little doubt that we will find it. I understand that a neighbor has filed a complaint regarding this matter, but knowing he has lived next door for 19 years with no mention of disapproval, cannot understand why at this time his has made a complaint. We are trying to correct this matter by requesting a variance. The shed has been improved since originally built, by adding stucco finish and a tile roof to match the new roof and siding of the main home structure. We did find the copy of the permit issued by the City of Las Vegas when my father had the home reroofed in 1996, therefore showing he was the type of person to do things by correct standards.

We feel that asking my mother to have the shed moved to a different location on the property would cause her further financial hardship, as she has not the income to do so. Any suggestions regarding this matter would greatly be appreciated.

Thank you for your help,

Patricia Conrad
