- (c) It is expressly agreed that the Company shall defend the City against the Liabilities and, in the event that the Company fails to do so, the City shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs, including attorney's fees and court costs, to the Company.

E-7 Assignment [CAO-7/24/08]

Neither party may assign their rights nor delegate their duties under this Contract without the written consent of the other party. Such consent shall not be withheld unreasonably. Any assignment or delegation shall not relieve any party of its obligations under this Contract.

E-8 Waiver [CAO-7/24/08]

Waiver of any terms of this Contract shall not be valid unless it is in writing signed by each party. The failure of the City to enforce any of the provisions of this Contract, or to require performance of any of the provisions herein, shall not in any way be construed as a waiver of such provisions or to affect the validity of any part of this Contract, or to affect the right of the City to thereafter enforce each and every provision of this Contract. Waiver of any breach of this Contract shall not be held to be a waiver of any other or subsequent breach of this Contract.

E-9 Taxes/Compliance with Laws [CAO-7/24/08]

- (a) The City is exempt from paying Sales and Use Taxes under the provisions of Nevada Revised Statutes 372.325(4), and Federal Excise Tax, under Registry Number 88-87-0003k. The Company shall pay all taxes, levies, duties and assessments of every nature and kind which may be applicable to any work under this Contract. The Company shall make any and all payroll deductions required by law. The Company agrees to indemnify and hold the City harmless from any liability on account of any and all such taxes, levies, duties, assessments and deductions.
- (b) The Company, in the performance of the obligations of this Contract, shall comply with all applicable laws, rules and regulations of all governmental authorities having jurisdiction over the performance of this Contract including, but not limited to, the Federal Occupational Health and Safety Act, and all state and federal laws prohibiting or relating to discrimination by reason of race, sex, age, religion or national origin.

E-10 Audit of Records [CAO-8/5/08]

- (a) The Company agrees to maintain the financial books and records (including supporting documentation) pertaining to the performance of this Contract according to standard accounting principles and procedures. The books and records shall be maintained for a period of three (3) years after completion of this Contract, except that books and records which are the subject of an audit finding shall be retained for three (3) years after such finding has been resolved. If the Company goes out of business, the Company shall forward the books and records to the City to be retained by the City for the period of time required herein.
- (b) The City, or its designated representative(s), shall have the right to inspect and audit (including the right to copy or transcribe) the books and records of the Company pertaining to the performance of this Contract during normal business hours. The City will provide prior written notice to the Company of the audit and inspection. If the books and records are not located within Clark County, the Company agrees to deliver them to the City, or to an address designated by the City within Clark County. In lieu of such delivery, the Company may elect to reimburse the City for the cost of travel (including transportation, lodging, meals and other related expenses) to inspect and audit the books and records at the Company's office. If the books and records provided to the City are incomplete, the Company agrees to remedy the deficiency after written notice thereof from the City, and to reimburse the City for any additional costs associated therewith including, without limitation, having to revisit the Company's office. The Company's failure to remedy the deficiency shall constitute a material breach of this Agreement. The City shall be entitled to its costs and reasonable attorney fees in enforcing the provisions of this Paragraph

- (c) If at any time during the term of this Contract or at any time after the expiration or termination of the Contract, the City or the City's designated representative(s) find the dollar liability is less than payments made by the City to the Company, the Company agrees that the difference shall be either: (a) repaid immediately by the Company to the City or (b) at the City's option, credited against any future billings due the Company.

E-11 Independent Contractor [CAO-7/24/08]

In the performance of services under this Contract, the Company and any other person employed by it shall be deemed to be an independent contractor and not an agent or employee of the City. The Company shall be liable for the actions of any person, organization or corporation with which it subcontracts to fulfill this Contract. The City shall hold the Company as the sole responsible party for the performance of this Contract. The Company shall maintain complete control over its employees and all of its subcontractors. Nothing contained in this contract or any subcontract awarded by the Company shall create a partnership, joint venture or agency with the City. Neither party shall have the right to obligate or bind the other party in any manner to any third party.

E-12 Severability [CAO-7/24/08]

The invalidity, illegality, or unenforceability of any provision of this Contract, or the occurrence of any event rendering any portion or provision of this Contract void, shall in no way affect the validity or enforceability of any other portion or provision of this Contract. Any void provision shall be deemed severed from this Contract, and the balance of this Contract shall be construed and enforced as if this Contract did not contain the particular portion or provision held to be void. The parties further agree to amend this Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this clause shall not prevent this entire Contract from being void should a provision which is of the essence of this Contract be determined void.

E-13 Conforming Services [CAO-7/24/08]

The services performed under this Contract shall conform in all respects with the requirements set forth in this Contract. The Company shall furnish the City with sufficient data and information needed to determine if the services performed conform to all the requirements of this Contract.

E-14 Modification/Amendment [CAO-7/24/08]

This Contract shall not be modified or amended except by the express written agreement of the parties, signed by a duly authorized representative for each party. Any other attempt to modify or amend this Contract shall be null and void, and may not be relied upon by either party.

E-15 Entire Agreement, Section and Paragraph Headings [CAO-7/24/08]

- (a) This Contract represents the entire and integrated agreement between the City and the Company. It supersedes all prior and contemporaneous communications, representations, and agreements, whether oral or written, relating to the subject matter of this Contract.
- (b) The section and paragraph headings appearing in this Contract are inserted for the purpose of convenience and ready reference. They do not purport to define, limit or extend the scope or intent of the language of the sections and paragraphs to which they pertain.

E-16 Conflict of Interest (City Officials) [CAO-7/24/08]

- (a) An official of the City who is authorized on behalf of the City to negotiate, make, accept or approve, or take part in negotiating, making, accepting, or approving this Contract, payments under this Contract, or work under this Contract, shall not be directly or indirectly interested personally in this Contract or in any part hereof. No officer, employee, architect, attorney, engineer or inspector of, or for the City, who is authorized on behalf of the City to exercise any legislative, executive, supervisory or other similar functions in connection with this Contract, shall become directly or indirectly interested personally in this Contract or in any part hereof, any material supply contract, subcontract, insurance contract, or any other contract pertaining to this Contract.
- (b) Each party represents that it is unaware of any financial or economic interest of any public officer or employee of the City relating to this Contract. Notwithstanding any other provision of this Contract, if such interest becomes known the City may immediately terminate this Contract for default or convenience, based on the culpability of the parties.

- (c) The Company represents and warrants that it has, in accordance with the current policy of the City, disclosed the ownership and principals of the Company on Attachment 1 (Certificate – Disclosure of Ownership/Principals), and that it has a continuing obligation to update this disclosure whenever there is a material change in the information contained therein.

E-17 Public Records [CAO-7/24/08]

The City is a public agency as defined by state law. As such, it is subject to the Nevada Public Records Law (Chapter 239 of the Nevada Revised Statutes). The City's Records are public records, which are subject to inspection and copying by any person (unless declared by law to be confidential). This Contract, all supporting documents, and proposals submitted under the original Request for Proposal are deemed to be public records.

E-18 Confidentiality – City Information [CAO-7/24/08]

- (a) All information including, but not limited to, oral statements, computer files, databases, and other material or data supplied to the Company is confidential and privileged. The Company shall not disclose this information, nor allow it to be disclosed, to any person or entity without the express prior written consent of the City. The Company shall have the right to use any such confidential information only for the purpose of providing services under this Contract, unless the express prior, written consent of the City is obtained. Upon request by the City the Company shall promptly return to the City all confidential information supplied by the City, together with all copies and extracts.
- (b) The confidentiality requirements shall not apply where (i) the information is, at the time of disclosure by the City, then in the public domain; (ii) the information is known to the Company prior to obtaining the same from the City; (iii) the information is obtained by the Company from a third party who did not receive the same directly or indirectly from the City; or (iv) the information is subpoenaed by court order or other legal process. But in such event the Company shall notify the City and the City, in its sole discretion, may seek to quash the demand.
- (c) The obligations of confidentiality shall survive the termination of this Contract.

E-19 Marketing Restrictions [CAO-7/24/08]

The Company may not publish or sell any information from or about this Contract without the prior written consent of the City. This restriction does not apply to the use of the City's name in a general list of customers, so long as the list does not represent an express or implied endorsement of the Company or its services.

E-20 Limitation of Funding [CAO-7/24/08]

The City reserves the right to reduce estimated or actual quantities in whatever amount necessary without prejudice or liability to the City if funding is not available, or if legal restrictions are placed on the expenditure of monies for the services required under this Contract.

E-21 Changes – Fixed-Price Services [CAO-7/24/08]

- (a) The City may at any time, by written order make changes within the general scope of this Contract in any one or more of the following:
 - (i) Description of services to be performed.
 - (ii) Time of performance (i.e., hours of the day, days of the week, etc.).
 - (iii) Place of performance of the services.
- (b) If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this Contract, whether or not changed by the order, the City shall make an equitable adjustment in the Contract price, the delivery schedule, or both, and shall modify the Contract.
- (c) The Company must assert its right to an adjustment under this clause within 30 days from the date of receipt of the written order; however, if the City decides that the facts justify, the City may receive and act upon a proposal submitted before final payment of the Contract.
- (d) If the Company's proposal includes the cost of property made obsolete or excess by the change, the City shall have the right to prescribe the manner of disposition of the property.

- (e) Failure to agree to any adjustment shall be a dispute under Paragraph E-1 (Disputes); however, nothing in this clause shall excuse the Company from proceeding with the Contract as changed.

The Company shall provide current, complete, and accurate documentation to the City in support of any request for equitable adjustment. Failure to provide adequate documentation within a reasonable time after a request from the City will be deemed a waiver of the Company's right to dispute the equitable adjustment proposed by the City, where such equitable adjustment has a reasonable basis at the time it is determined by the City.

E-22 Counterpart Signatures [CAO-9/24/08]

This Contract may be executed in counterparts. All such counterparts will constitute the same contract and the signature of any party to any counterpart will be deemed a signature to, and may be appended to, any other counterpart. Executed copies hereof may be delivered by facsimile or e-mail and, upon receipt, will be deemed originals and binding upon the parties hereto, regardless of whether originals are delivered thereafter.
