RE: Selected CLV Council Agenda Items

#66—Bill No. 2010-34

Please vote NO, then wash the finger that pressed the button.

Provided that this Bill No. 2010-34 would allow all current homeowners and renters to not be affected by this amendment in the 1983 edition of this law, go for it!

Great for limiting the population of CLV ! Any vehicle owner considering making their residence here, may change their minds. All current residents do not choose to live in a community with such Covenants & Restrictions.

'Police State' department required by the bookkeeping for each residence not under current business covenant and restriction contracts, certainly means a tax increase.

All of you who proposed, and allowed Bill No. 2010-34 to come for a vote surely are in violation of our U.S. and Nevada constitutions. Should we be surprised that you each, as an elected body, allowed this proposed mad concoction of prohibition, censorship, suppression, abrogation, restraint, repressive, et cetera statements under the title of ORDINANCE NO __ to be placed on our CLV agenda for a vote? This is an electric shock to initiate any campaign for someone seeking elective office. We do believe that the obeyed order to kill all newborn boys is more of a selective shock to a population than Bill No. 2010-34.

#84—SUP-38866

Please vote NO.

We note that council has made previous, nearly as egregious variances to this ordinance, which surely encourages continued creative factors.

In C1 zoning this service is not permitted,

Distance from another massage business is 230 ft. rather than 1,000 ft., a difference of 770ft..

Distance from residential is 0 ft. rather than 400 ft., a difference of 400 ft..

Distance from a school is 100 ft. rather than 400 ft., a difference of 300 ft..

Respectfully,

June Ingram
CNP President
