Minutes:

MAYOR GOODMAN invited LARRY HAUGSNESS to join him at the podium to announce MICHAEL DUNN as November Employee of the Month. MR. DUNN is a welder with the City's Street Division and has been with the City since 2000. After noticing the recent metal artwork that the Nevada Department of Transportation has installed along area highways, MR. DUNN asked if he could create metal structures to beautify City of Las Vegas medians. Using rebar and sheet metal, he has created structures in the form of desert vegetation, including Prickly Pear Cactus, Agave, and other plants. The Mayor was impressed by his art work and applauded MR. DUNN'S willingness to take on this project.

MR. HAUGSNESS thanked the Mayor and City Council for supporting this program; it is a great way to recognize City employees. MR. DUNN thanked JERRY WALKER for the nomination.
