Submitted at Meeting Copy of Citizen of the Month Certificate for Todd Farlow

Minutes:

COUNCILMAN REESE called forward and recognized Las Vegas resident TODD FARLOW as Citizen of the Month for November 2010 for being such an advocate for local communities, monitoring local issues closely and bringing them to the attention of the Council members. He uses public transportation to visit the neighborhoods and makes sure residential and commercial property owners are following the City Codes.

MAYOR GOODMAN appreciated MR. FARLOW'S honesty and criticisms.

MR. FARLOW accepted the Citizen of the Month Certificate and thanked the Council for this honor, and he complimented the City on the improvements made to Fremont Street. He strongly believes that the anemic economy will pass around. As a person that has been attending the Planning Commission meetings for 14 years, he is very impressed at how its membership keeps improving with individuals who really care about Las Vegas. He is also impressed with the ethnic diversity in this community and how the many people come together to make Las Vegas a better place to live.
