ANALYSIS

This is the second request for an Extension of Time of a previously approved Rezoning (ZON-15233) from R-E (Residence Estates) to P-R (Professional Office and Parking) at 7180 West Azure Drive. The applicant had received previous approval for a Site Development Plan Review (SDR-15235) to convert an existing single-family residence to an office, but due to constant requests for changes to the design by potential tenants, the applicant has decided to allow the Site Development Plan Review (SDR-15235) to expire and will resubmit a new plan when a tenant is secured.

FINDINGS

The Rezoning to P-R (Professional Office and Parking) aligns with the General Plan designation of O (Office). There has been a change in the zoning designation of property to the south of the subject site from U (Undeveloped) to O (Office), and new development that includes a convenience store with restricted gaming and fuel pumps to the southwest; and beer/wine/cooler off-sale within a retail establishment to the west. The Rezoning (ZON-15233) does not negatively affect the changes in land use and development in the surrounding areas. The applicant is requesting an extension of time due to architectural issues for the proposed project. Staff has no objection to this request and is recommending approval.
