PURPOSE/BACKGROUND:

Last February the City Council adopted an ordinance to authorize, on a temporary basis, the waiver of the origination charge for new urban lounge and tavern-limited licenses. The intent was to encourage the establishment of new urban lounge and tavern-limited licenses within the districts to which they pertain. It has been proposed to extend the effects of that ordinance for new applications for another year. This bill will accomplish that extension.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final adoption.
