**** STAFF REPORT ****

PROJECT DESCRIPTION

This application is a request for a Rezoning of property from U (Undeveloped) to C-V (Civic) on 3.85 acres located at 6120 North Jones Boulevard. The purpose of the Rezoning is to amend the zoning designation to match the existing PF (Public Facilities) General Plan land use designation of the site. The property contains an Electric Utility Substation and a Wireless Communication Facility, Stealth Design. The existing uses on the property are appropriate within a C-V District and no new development is proposed as part of this application; therefore, staff recommends approval. If this application is denied, the zoning designation would remain U (Undeveloped).

ANALYSIS

The property contains an Electric Utility Substation and a Wireless Communication Facility, Stealth Design and no new development is proposed as part of this application. The proposed rezoning from U (Undeveloped) to C-V (Civic) will be consistent with the PF (Public Facilities) General Plan land use designation. The C-V (Civic) zoning district is intended for public and quasi-public uses such as schools, libraries, public parks, electrical transmission facilities and other public utility facilities; therefore, staff recommends approval.

FINDINGS (ZON-40051)

In order to approve a Rezoning application, pursuant to Title 19.18.040, the Planning Commission or City Council must affirm the following:

1.The proposal conforms to the General Plan.

The proposed C-V (Civic) zoning district conforms to the existing PF (Public Facilities) General Plan land use designation.

2.The uses which would be allowed on the subject property by approving the rezoning will be compatible with the surrounding land uses and zoning districts.

The proposed C-V (Civic) zoning district would permit schools, libraries, public parks, electrical transmission facilities and other public utility facilities that are compatible with the surrounding land uses and zoning districts.

3.Growth and development factors in the community indicate the need for or appropriateness of the rezoning.

The proposed C-V (Civic) zoning district allows for the Electric Utility Substation use and a Wireless Communication Facility, Stealth Design. The C-V (Civic) Zoning District is consistent with the existing PF (Public Facilities) land use designation.
