Minutes:

MARGARET COLEMAN a child of God, showed photos and documentation while commenting on a past incident. She believes she has been ripped off and abused by the City and State. Her name has been desecrated and her children have been taken advantage of. She questioned why she has not received her compensation regarding a past settlement she won. After looking at some of MS. COLEMAN'S documentation, MAYOR GOODMAN explained that the City of Las Vegas was not a party to her aforementioned lawsuit and it is out of the City's jurisdiction. He offered staff's assistance if she was, in fact, homeless.

DOROTHY BARNES is still looking for her promissory note and believes everyone should obey the law. She enjoys the city's tourism and entertainment but believes some individuals are responsible for her living conditions.
