COUNCILWOMAN TARKANIAN recognized the Nevada Women's Philanthropy Group, whose membership commits \$5,000 annually toward a grant process to help individuals in the community. In five years, this group of dedicated women has built a powerful association of financial supporters and awards grants of up to \$1 million annually. Its purpose is to unite, serve and empower women to become leaders.

SUSIE LEE, President of the Nevada Women's Philanthropy Group, recognized COUNCILWOMAN TARKANIAN for being the only woman on the City Council and for being a long-time role model in this community. She is a representative of 80 women who have each committed to form a philanthropic group. She mentioned how coming together affords them the opportunity to raise enough funds to make a difference for others. MS. LEE accepted the Certificate of Recognition.

COUNCILWOMAN TARKANIAN stated that it is nice to see how the money donated is being used to help people.
