To Whom It May Concern:

We respectfully submit this request for an Extension of Time for the aforementioned applications. The owner still trying to move forward with this project but it is not at a stage yet to apply for building permits. We are requesting an extension of time for 2 years.

This development is a high rise office tower located on the southwest corner of Bonanza and martin Luther King Drive.

The Ahern Corporate Center will combine much needed office and retail space in a redeveloping area of the city. This project consists of retail, leasable office space, a daycare for the employees working in the building and a restaurant. The majority of the parking is provided in an onsite parking structure under the office tower. The exterior materials include metal panels, precast panels, aluminum storefront and stone panels at the base. The mechanical equipment will be screened from view by perforated metal panels.

We have made every attempt to try and follow City of Las Vegas Title 19 as closely as possible in the design and layout of the site. We hope that you will join us in our attempt to bring a much-needed high caliber project into this area.

Respectfully Submitted,
