ANALYSIS

This is the first request for an Extension of Time of a previously approved Site Development Plan Review (SDR-29879) for a proposed 3,000 square-foot convenience store with fuel pumps and car wash, and two (2) 3,100 square-foot restaurants with drive through with waivers of the perimeter landscape requirements to allow a six-foot buffer along the south and east property lines where eight feet is required and a six-foot buffer along the west property line where 15 feet is required on the east side of Oso Blanca Road, approximately 850 feet north of Kyle Canyon Road. Since the approval of Site Development Plan Review (SDR-29879), there have not been any building permits issued for the proposed development, nor have plans been submitted for review.

FINDINGS

The Site Development Plan Review (SDR-29879) has not met Title 19.18.050 requirements to exercise the entitlement as no building permits have been issued for the proposed use. There has been no new development or changes in land use in the surrounding area. The applicant is requesting an Extension of Time due to the current economic condition in the area. Staff is recommending approval of this request with a two-year time limit. Conformance to the conditions of approval of the Site Development Plan Review (SDR-29879) shall be required.
