More than 1,000 community leaders have graduated from the program sponsored by the Las Vegas Chamber of Commerce. The exclusive 10-month program accepts 48 participants annually and covers the history of Las Vegas, gaming and tourism, business outlook, government, education and other topics. The Mayor thanked the Chamber for instituting the program and creating a network of people who understand and care about the Las Vegas community. He presented MR. BONNER with a proclamation.

MR. BONNER and MS. KNOBLOCK thanked the Mayor and Council for the recognition and noted that Leadership Las Vegas is one of the Chamber's most successful programs, which this year celebrates its 25th year. The program helps build the leaders of the City, and they both encouraged everyone to apply for the Leadership program.
