

City Council item #52 (April 6, 2011 meeting)

Language to be added as a Subsection (C) to proposed Section 13.24.025, as found in Section 2 of the bill.

(C) Upon the request of a person who owns or operates more than 100 news racks, the Director may authorize an owner or operator to pay the sticker fees described in Subsection (A) in installments rather than requiring full payment before issuance. The authorization shall be in the form of a written agreement authorized or approved by the Director, which may contain provisions that provide a remedy in the event timely payments are not made. Such provisions may include without limitation provisions authorizing the suspension or revocation of permit stickers and the removal of news racks.
