DIRECTOR: DAVID RIGGLEMAN

SUBJECT:

RECOGNITION OF THE TEAM OF THE QUARTER

Minutes:

MAYOR GOODMAN invited FLINN FAGG, Acting Director of Planning, to the podium and recognized the Development Services Center Electronic Records Management Team as the Team of the Quarter. As part of the sustainability initiative, records that are stored in various repositories are being consolidated for easy access and record keeping, resulting in a more transparent government that saves money and provides better customer service. Through the work of this team, more than six million records were stored in the one database so they can be easily located. This task was accomplished in coordination with the move of several City departments to the new Development Services Center on Rancho Drive. The Mayor invited LUANN HOLMES to the podium and acknowledged the team members.

MR. FAGG stated this electronic management record project was a complex one and was accomplished through teamwork of many departments.
