Proclamation

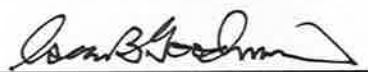

- Whereas; Public Services is among the most noble and demanding of professions; and
- Whereas; Americans are served every single day by public servants at the federal, state, county and city levels. These unsung heroes do the work that keeps our nation working; and
- Whereas; the City of Las Vegas employs more than 2,900 public employees in both full-time and part-time positions; and
- Whereas; each day, these employees meet the needs of the City of Las Vegas' dynamic and diverse population through their efforts; and
- Whereas; the work of these employees enhances the quality of life of citizens throughout the City of Las Vegas; and
- Whereas; without these public servants at every level, continuity would be impossible in a democracy that regularly changes its leaders and elected officials; now
