**** STAFF REPORT ****

PROJECT DESCRIPTION

The subject site is currently undeveloped land with a previously approved Special Use Permit (SUP-18821) for a proposed mixed use development adjacent to the east side of Tenaya Way, approximately 970 feet south of Craig Road. Since the approval of the Special Use Permit (SUP-18821) on 03/21/07, no plans have been submitted for review nor have building permits been issued for the proposed project. The applicant is requesting an extension of time to secure financing for the development.

It is noted that there are two (2) related requests for Extension of Times (EOT-41124 and EOT-41127) that will be heard concurrently with this application.

ANALYSIS

This is the second request for an Extension of Time of a previously approved Special Use Permit (SUP-18821) for a proposed mixed use development. Since the approval of the Special Use Permit (SUP-18821), no plans have been submitted for review nor have building permits been issued for the proposed project.

Title 19.16.110 of the Unified Development Code deems a Special Use Permit exercised upon the issuance of a building permit for new construction.

FINDINGS

The Special Use Permit (SUP-18821) has not met the requirements of Title 19.16.110 of the Unified Development Code to exercise the entitlement as no building permits have yet to be used for the proposed development. The applicant is requesting an Extension of Time to secure financing for the project. Staff is recommending approval of this request with a two-year time limit. Conformance to the conditions of approval of the Special Use Permit (SUP-18821) shall be required.
