RE: Selected Agenda Items of this date

>Note: CNP requests that items numbered 15 and 46 be removed from the "CONSENT" portion of this agenda so that council may add the information requested.

#15-The agenda pdf is a MAP. Please state the money amount for this item.

#43-We suggest a Vote of NO on this item.

#46-Please remove this item from the "CONSENT" so that information can be stated such as the distance this garage is from the "New City Hall" and the number of parking spaces provided.

#50-CNP welcomes this improvement to this area.

#56 2011-22—What are the "Special Improvements" planned for this District No. 1516? Info was not available on line.

#57- 2011-23---Sorry, to ask, but pdf was NOT available on line, so please state at least 6 key updates being proposed in this item.

#84-SUP-40843—CNP agrees with staff.

#85-SDR-40836—CNP agrees with staff.

#86-SUP-41080—NO, adamantly no, regarding a jewelry store addition to Check City not far from the front door of Albertson's grocery, Jamm's restaurant and other smaller footage businesses.

This business is not desirable in this crowded portion of this parking lot.

This is a high pedestrian & vehicle traffic area.

The access entrance to this parking lot has intense in and out traffic.

This Charleston Blvd. parking lot entrance serves traffic coming from the East,

North, South, and West bound traffic makes a U-turn around the island to enter this "Albertson's" parking lot which also serves 6820 West Charleston, the address of this applicant.

No, is the vote we must have for any expansion in this already concentrated-traffic portion of this parking area!

Please vote no on SUP-41080.

Time to re-check those 2011 New Year resolutions!
