Application Information

SDR-41049 - APPLICANT/OWNER: TEN15 CENTENNIAL, LLC
- Request for a Major Amendment to an approved Site Development Plan Review (SDR-27051) FOR A PROPOSED 8,775 SQUARE-FOOT AUTO REPAIR GARAGE (MINOR) on 2.14 acres approximately 230 feet north of Deer Springs Way, adjacent to the west side of Durango Drive (APN 125-20-216-004), T-C (Town Center) Zone [GC-TC (General Commercial - Town Center) Special Land Use Designation], Ward 6 (Ross).

I strongly oppose this project because an auto repair shop is not appropriate for this particular location. Placing an auto repair shop directly adjacent to residential property will negatively affect the residential nature of the area and bring down the property value of the area. Noise from the garage would negatively affect the peaceful nature of the adjacent residential property. Also, another auto repair garage is being built directly across the street to the east next to Buffalo Wild Wings Restaurant, away from residential property. We don't need 2 auto repair shops so close together.

Application Location

The proposed project may not pertain to the entire highlighted project site.
