Application Information

SDR-41049 - SITE DEVELOPMENT PLAN REVIEW - PUBLIC HEARING - APPLICANT/OWNER: TEN15 CENTENNIAL, LLC - Request for a Major Amendment to an approved Site Development Plan Review (SDR-27051) FOR A PROPOSED 8,775 SQUARE-FOOT AUTO REPAIR GARAGE (MINOR) on 2.14 acres approximately 230 feet north of Deer Springs Way, adjacent to the west side of Durango Drive (APN 125-20-216-004), T-C (Town Center) Zone [GC-TC (General Commercial - Town Center) Special Land Use Designation], Ward 6 (Ross).

The reason I oppose this, the auto garage proximity to the residential complex will make the street to look more commercial/industrial than residential. It will have negative effect on property values/rental desirability here. Also, increased traffic and noise level are not good. Pollution.

Any and all interested persons may appear before the City Planning Commission either in person or by representative and object to or express approval of this request; or may, prior to this meeting, file a written objection thereto or approval thereof with the Department of Planning, Case Planning Division, Development Services Center, 333 North Rancho Drive, 3rd Floor, Las Vegas, Nevada 89106. Final Action on General Plan Amendments and Rezonings will be determined by the City Council. Other public hearing items may be deemed Final Action by the Planning Commission or forwarded to the City Council. The date of the City Council meeting, if applicable, will be announced at the Planning Commission meeting after the discussion of the item. Absolutely and unequivocally NO – I don't approve this auto repair garage at Durango and Deer Springs! No! No! No! There are plenty of other parcels in Centennial Hills that could accommodate this business. Why not near the auto mall on Centennial Parkway where such a business should be anyway? But not on the major roadway next to apartments! How ghetto can this area get? What I don't understand is why in other parts of the city (along the 215 beltway) in North Las Vegas and South near Tropicana and also near Decatur there are very attractive centers with major stores and restaurants and there is nothing in the Northwest? Please someone tell me why this is? Steve Ross, can you answer this question? So, instead of restaurants and shops that we desperately need we are going to put in another auto repair garage? One is being built right now behind Buffalo Wild Wings in the Kohl's center and we need another right down the street? C'mon Planning Commissioners learn to say no!
