RE: *Application for Extension of Special Use Permit - SUP-37605*

To Whom It May Concern:

I am writing on behalf of Walgreen Co. to respectfully request an extension of time on the approval of a special use permit for the addition of accessory "off-sale" package beer, wine, and liquor at the premises of Walgreens at 1101 South Las Vegas Boulevard. The special use permit was approved by the Las Vegas City Council on May 19, 2010, subject to a one-year expiration period unless a business license has been issued. The company is still in the process of completing and submitting its liquor license application. Therefore, the company respectfully requests an extension of the approval for one year to allow additional time to obtain the liquor license.

The location is currently operating and licensed as a drug store in a C-2, General Commercial, zoning district. The proposed sale of packaged liquor will not adversely affect surrounding properties, as this store is located at the intersection of two major thoroughfares – Charleston Boulevard and Las Vegas Boulevard – and is surrounded by other commercial uses. There are other businesses in the general area that sell alcohol, including a convenience store on the other side of Las Vegas Boulevard, so the proposed use is not unique to the area.

As the City Council previously approved a special use permit for the sale of packaged beer, wine, and liquor for consumption off-premises, an extension of time of one year to allow Walgreens to obtain its liquor license would be appropriate.
