RE: Justification letter

Property location: 1125 Cashman Drive
Las Vegas, Nv 89102

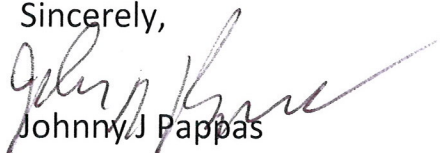

To Whom It May Concern:

This letter is to serve as the justification for the non attached steel shade building on the North side of my house.

This structure is for shade of my vehicles and to take them from the driveway thereby making the front of my house look nicer without the clutter of vehicles.

Should you have any questions please do not hesitate to contact me at 702-327-3953.

Sincerely,

Johnny J Pappas
