COUNCILWOMAN TARKANIAN expressed her personal interest in this program and pointed out that it developed from the ideas and concerns of community members. A commercial, paid for by grant funds, then played on the overhead monitors before the Councilwoman invited REBECCA KAPULER, Nevada Department of Transportation, to the podium. She noted that ROBIN MUNIER, Council Liaison, found grant money at the State level that nobody else was requesting. .

MS. KAPULER asked members of Public Works and Look Out Kids About (LOKA) to join her at the podium in recognition of their efforts. She then presented them with a grant check from the Nevada Department of Transportation in the amount of \$1,000.00 and reminded the audience that October 5, 2011 is Walk Your Kids to School day. The Councilwoman stated this is an important program not only because it benefits all of Southern Nevada, but it is also an example of the importance of residents and the City working together.
