I do not want the noise from an auto body shop coming through my backyard! Also, Fremont street is under a beautification process. Why ugly it up with a used car lot?

*Please be advised, this is my
third response to this ridiculous application with
the elementary school right across the street and the
already traffic conditions with the school students & parents
and this small area for a garage, parked cars. I am sure there
are other areas available for this type of business if it is not allowed why approve it now?*

CITY CLERK

Dear Council Members;

We strongly oppose this project which will be located adjacent to our property. We have a multi-family building on the adjacent lot and feel this type of business will adversely affect our property and our tenants. The noise and traffic that will be generated from a car lot and garage will infringe upon the quiet enjoyment that our tenants now have.

We ask that you deny this application.

Thank You

Michael & Gail Flores
