Except as may be otherwise indicated in the Scope of Development, Association shall not affect any change or amendment to any parcel or final map covering the Site or record any further parcel or final map of the Site or any portion thereof or facilities thereon, pursuant to the NRS, or any similar statute hereafter enacted, and any local ordinances adopted pursuant thereto, nor shall Association file any applications with any governmental agency with respect to any of the foregoing matters.

(c) Zoning. Association shall not use or develop or attempt to use or develop the Site or any portion thereof for any purpose other than the Scope of Development, or those other purposes expressly allowed (without the benefit of a zone variance, special use permit, exception or other special administrative procedure) under the zoning ordinance or ordinances of the governmental entity having zoning jurisdiction over the Site in effect as of the date of recordation of this Declaration. Additionally, Association shall not change or attempt any change in zoning, or obtain or apply for a zoning variance or exception or other similar approval with respect to the use or development of the Site or any portion thereof not expressly allowed under such existing zoning. Notwithstanding the foregoing, CPV shall cooperate, at no cost to CPV, with Association's efforts to obtain any special use permits desired by Association.

(d) Unapproved Project. Association shall not permit the construction of any structure or improvements on the Site not in material compliance with all Requirements or the Restrictions and in all other recorded covenants, conditions, rights, restrictions and limitations existing from time to time covering the Site.

(e) Waste or Nuisance. Association shall not commit or suffer to be committed any waste upon the Site and shall not conduct its business so as to impair, in CPV's reasonable opinion, the reputation of Symphony Park.

(f) Conveyance. Association and CPV agree that:

Association agrees to develop the Site with those Specific Facilities buildings and other improvements specified in the Scope of Development and in accordance with the Schedule of Performance. The violation of any of the following requirements within the time period set forth in the Schedule of Performance shall also constitute a default hereunder and a breach of the Restrictions, which shall entitle CPV to exercise any of the rights and remedies set forth below.

(a) Commencement. CPV acknowledges that Association has prepared and submitted to CPV and SPDRC the Basic Concept Drawings and related documents containing the overall plan for development of the Project and hereby approve the Basic Concept Drawings. CPV shall have fifteen (15) days after Association delivers to CPV proposed Plans and Drawings to review and approve such Plans and Drawings. The time limit provided in this Section 2.2(a) shall be extended as a result of Unavoidable Delays; *provided*, that in no event shall any extension of said period of time be deemed to have occurred unless Association shall have given written notice to CPV within said period of time setting forth the facts giving rise to each such extension; and, *provided further*, that the period of time for exercise of CPV's rights herein shall be commensurately extended. CPV acknowledges and agrees that Association shall act as owner contractor in connection with the construction of the Specific Facilities and that a single general contractor for the overall construction of the Specific Facilities shall not be engaged by Association.

(b) Completion. Association shall Complete Construction of the Specific Facilities pursuant to their respective timelines set forth in the Schedule of Performance and in material compliance with all Requirements. Timelines set forth in the Schedule of

Performance shall be extended as a result of Unavoidable Delays; *provided*, that in no event shall any extension of said period of time be deemed to have occurred unless Association shall have given written notice to CPV within twenty (20) days of commencement of delay setting forth the facts giving rise to each such extension; and *provided further* that the period of time for exercise of CPV's rights herein shall be commensurately extended.

(c) Uses. Association shall cause the Site to be developed only with the Specific Facilities, and no portion of the Site or improvements thereon or any portion thereof shall be developed, used, operated or maintained with any facilities or for any other purpose whatsoever, unless expressly approved by CPV, which approval shall be granted or withheld by CPV in its reasonable discretion.

CPV shall have the right upon ten (10) days prior notice to Association (except that no notice shall be required in the case of an emergency), to enter the Project and perform such maintenance or repair on behalf of Association. Association agrees to reimburse CPV immediately upon demand for any costs and expenses incurred by CPV in connection with the performance by CPV of Association's obligations under this Declaration including twenty percent (20%) of such costs for CPV's supervision of any maintenance and repair.

4. ENFORCEMENT OF RESTRICTIONS

4.1 General Purpose and Constructive Notice. The Restrictions shall be binding upon Association, its successors and assigns, and shall benefit the other land owned by CPV and comprising Symphony Park and be enforceable solely by CPV notwithstanding any transfers of Symphony Park or any portion thereof by CPV. Except as specifically set forth herein, the

Restrictions shall remain in full force and effect for the period of time specified in Section 2.1 above, notwithstanding CPV's exercise of any right or remedy herein due to a previous or repeated violation of any one or more of the Restrictions.

4.2 Right of Access. Until the termination of the Restrictions, CPV or its authorized representatives may from time to time, at any reasonable hours, enter upon and inspect the Site, or any portion thereof or improvements thereon, to ascertain compliance with the Restrictions, but without obligation to do so or liability therefor. Such representatives of CPV shall be those who are so identified in writing by CPV and who shall, except in an actual emergency, give prior notice of such Site visits. CPV shall indemnify Association and hold it harmless from any damage caused or liability arising out of this right to access.

4.3 Default and General Remedies. In the event of any breach, violation or failure to perform or satisfy any of the Restrictions which has not been cured within the period set forth below, CPV at its sole option and discretion may enforce any one or more of the following remedies or any other rights or remedies to which CPV may be entitled by law or equity, whether or not set forth herein. Unless a cure period is otherwise specifically designated, such cure period shall commence when written notice is given to Association of a violation hereunder and shall end (i) ten (10) days thereafter in the case of a monetary default; or (ii) thirty (30) days thereafter in the case of a non-monetary default; *provided* that Association shall be granted such additional period necessary to cure such default if the cure of such default is not capable of being cured within such thirty (30) day period. To the maximum extent allowable by law, all remedies provided herein or by law or equity shall be cumulative and not exclusive.

(a) Damages. CPV may bring a suit for damages for any compensable breach of or noncompliance with any of the Restrictions, or declaratory relief to determine the enforceability of any of the Restrictions.

(b) Equity. It is recognized that a particular or ongoing violation by Association of one or more of the foregoing Restrictions may cause CPV to suffer material injury or damage not compensable in money (including, but not limited to irreparable effects on the type and quality of development on Symphony Park or portions thereof), and that CPV shall be entitled to bring an action in equity or otherwise for specific performance to enforce compliance with the Restrictions or an injunction to enjoin the continuance of any such breach or violation thereof, whether or not CPV exercises any other remedy set forth herein.

(c) Abatement and Lien. Any such breach or violation of these Restrictions or any provision hereof is hereby declared to be a nuisance, and CPV shall be entitled to enter the Site and summarily abate and remove with notice, a hearing and cure period, any structure, thing or condition that may exist in violation of any of these Restrictions, or to prosecute any remedy allowed by law or equity for the abatement of such nuisance against any person or entity acting or failing to act in violation of these Restrictions, all at the sole cost and expense of Association or any person having possession under Association. Any costs or expenses paid or incurred by CPV in abating such nuisance or prosecuting any such remedy

(including all reasonable attorneys' fees and costs of collection), together with interest thereon at the rate of three percent (3%) over the prime rate published from time to time by the "Wall Street Journal", or if the Wall Street Journal is no longer published, then its successor publication or a similar financial publication that publishes the prime rate of interest, shall be a charge against the Site and improvements thereon, shall be a continuing lien thereon until paid, and shall also be the personal obligation of Association or any other person who was an owner of the Site when such charges became due and who committed such breach or violation. In addition to any other rights or remedies hereunder, CPV may deliver to Association and record with the Recorder's Office a notice of default and election to sell the Site and all improvements thereon. Thereafter unless all amounts legally due and owing to CPV have been paid and provided that all of the requirements of NRS 107.080 and of all other applicable statutes have been satisfied, CPV may cause the Site and improvements thereon to be sold at such time and place as may be fixed in the applicable notice of sale or at such time and place to which the sale may be postponed as hereinafter provided without additional notice, either as a whole or in separate parcels, and in such order as CPV alone may determine, at public auction to the highest bidder for cash in lawful money of the United States at the time of sale, or upon such other terms as CPV may consider advisable. Association shall have no right to direct or determine whether the Site or Improvements thereon shall be sold as a whole or in separate parcels, or the order of sale of separate parcels or the portion of the Site or improvements thereon to be sold if only a portion is sold. CPV may postpone the sale of the Site or improvements thereon by public announcement thereof at the time and place of sale and from time to time thereafter by public announcement at the time and place of the preceding postponement. In conducting or postponing any such sale, CPV may act through its agents, officers or employees or any other person designated by CPV, whether or not such party shall be a licensed auctioneer. At such sale, CPV shall cause to be delivered to Association one or more duly exercised deed or deeds conveying the property so sold, subject to all the provisions of this Declaration, but without any covenant or warranty, either express or implied. The recitals in such deed or deeds with regard to any matters of fact shall be conclusive proof of the truthfulness thereof against Association at such sale, its successors and assigns, and all other persons. Any person or entity, including without limitation CPV, may bid in or purchase at such sale. Association hereby agrees to surrender, immediately and without demand, possession of said property to CPV or its permitted assignee at such sale. No such sale shall release or extinguish any rights, remedies or provisions contained in this Declaration in the event of any further violation of any Restriction set forth herein. Notwithstanding the foregoing, if Association's default is timely cured in accordance with this Declaration or applicable law, CPV shall, upon request by Association, record at Association's expense an appropriate notice of rescission in accordance with the applicable provisions of the NRS.

4.4 Option to Repurchase the Site. In recognition of CPV's interest in the expeditious development of the Site, Association hereby grants to a CPV Repurchase Designee the irrevocable, exclusive right and option to repurchase the Site (the "*Repurchase Option*") upon the occurrence of any of the events contemplated by Section 4.4(a) below, and if CPV exercises such

option, such exercise shall be in lieu of any other remedies permitted herein or at law for the occurrence of such event. The Repurchase Option shall only be exercised as provided below.

(a) Exercise of Repurchase Option. The CPV Repurchase Designee may exercise the Repurchase Option by giving written notice to Association thereof within ninety (90) days after the respective commencement or completion dates specified in the Schedule of Performance (as the same may be extended by Unavoidable Delays as provided in this Declaration) in the event of Association's violation of the Restrictions itemized in Sections 2.1(f), 2.2(a), (b) or (c) above, respectively. Such notice shall identify Restriction violated and any Non-complying Structures. No failure of the CPV Repurchase Designee to exercise the Repurchase Option after the occurrence of any of the foregoing events shall constitute a waiver of its right to exercise the Repurchase Option upon the occurrence of any other event permitting such exercise.

(b) Title Condition. Upon such repurchase, the Site shall be subject only to:

(i) Current taxes not yet delinquent;

(ii) Matters affecting title which exist as of the date of recordation of this Declaration, or which are created, made, assumed, consented to or requested by CPV, its successors or assigns; and

(iii) Easements for utilities used in connection with the building and other improvements constructed on the Site.

(c) Improvement Costs.

(i) Within ten (10) days after the CPV Repurchase Designee's exercise of the Repurchase Option, Association shall submit to the CPV Repurchase Designee (A) a list of improvements existing (the "*Improvements*") on the Site; and (B) a breakdown of the actual hard and soft costs to Association to construct or otherwise further the development of the Improvements (the "*Improvement Costs*"). The CPV Repurchase Designee and Association shall consult in good faith with one another for the purpose of arriving at an agreement concerning such Improvement Costs. Association shall (I) provide the CPV Repurchase Designee with copies of all documents relating to the Site prepared by or at the direction of Association, including, but not limited to, geotechnical reports, soils tests, environmental reports, engineering studies, architectural plans for the Specific Facilities and any other reports, studies or plans relating to the Site or Specific Facilities to be constructed upon the Site (collectively, the "*Project Documents*"); and (II) assign and transfer all rights that Association has to the Project Documents. The Improvements shall automatically become the property of the CPV Repurchase Designee without the payment of further consideration and without the necessity of any further conveyance or bill of sale.

(ii) Within ninety (90) days after the CPV Repurchase Designee's exercise of the Repurchase Option, Association at its sole cost and expense shall remove all Non-complying Structures. Alternately, at the CPV Repurchase Designee's option, the CPV Repurchase Designee may determine the cost to remove the Non-complying Structures and deduct the amount from the Purchase Price.

(d) Option Expiration and Quitclaim. Upon Commencement of Construction, the Repurchase Option shall terminate and CPV shall execute and deliver to Association a quitclaim deed satisfactory to Association relinquishing all of its rights under the Repurchase Option.

(e) Repurchase Price. CPV's purchase price for the Site upon its exercise of the Repurchase Option provided above shall be the Improvement Costs. Absent manifest error Association's books and records provided in accordance with Section 4.4(c) above shall be deemed conclusive in determining the Improvement Costs.

(f) Repurchase Escrow Terms. Within five (5) days after the CPV's exercise of the Repurchase Option as provided above or as soon thereafter as possible, an escrow shall be created at Nevada Title Company or another escrow company selected by CPV and reasonably acceptable to Association to consummate the purchase as specified herein, which escrow shall have a time limit of ninety (90) days. Said escrow shall be subject only to approval by CPV of a then current preliminary title report. Any exceptions shown thereon created after the date hereof, and disapproved by written notice to Association through escrow, shall be removed or insured over by Association at its sole expense at or prior to closing of escrow. In the event that the Site or any portion thereof is encumbered by a mortgage or deed of trust to which CPV has subordinated the Repurchase Option pursuant to Section 4.4(e) above, CPV shall instruct the escrow agent to satisfy the indebtedness secured thereby out of the proceeds payable to Association through the foregoing escrow. Association and CPV shall each pay one-half of the escrow fees; Association shall pay for documentary tax stamps, for recording the deed, and for a standard form owner's coverage policy of title insurance in the amount of the purchase price showing title to the Site vested in CPV or its assigns free and clear of all liens, encumbrances or other title exceptions other than those set forth in this Declaration. Any other costs or expenses shall be allocated between the Parties in the manner customary in Clark County, Nevada.

(g) Binding Effect. The Repurchase Option shall be binding upon and shall inure to the benefit of the respective successors in interest to the Parties hereto.

5. CONSTRUCTION FUND

5.1 CPV Contribution. CPV has provided the sum of \$1,500,000.00 to Association for the development of the Project on the Site (the "*Construction Fund*"). Association agrees to use the Construction Fund for the sole purpose of designing and constructing the Project.

- (b) final plot grading utility plans;
- (c) final structural plans;
- (d) final mechanical and electrical plans;
- (e) final landscaping plans;
- (f) a final budget for the construction of the Project containing a customary amount for a contingency; and
- (g) guaranteed maximum contracts with all the subcontractors directly hired by Association for the construction of the Specific Facilities.

5.3 Project Meetings. Association agrees to cause its representatives to meet at least monthly with representatives of CPV to review the progress of construction of the Project. Association shall provide such information and materials as reasonably requested by CPV.

5.4 Remaining Construction Funds. In the event there are any remaining funds in the Construction Fund upon Completion of Construction, such remaining funds shall be paid to CPV within thirty (30) days after Completion of Construction.

6. **PEMA** The Parties agree that they shall perform those obligations and agreements as set forth in the PEMA.

7. **MISCELLANEOUS PROVISIONS**

7.1 Assignment by CPV. Any and all of the rights, powers, duties and reservations of CPV herein contained may be assigned to any public entity under the control of the City which will assume the duties of CPV pertaining to the particular rights, powers and reservations assigned, and upon any such person or entity evidencing its consent in writing to accept such assignment and assume such duties, he or it shall, to the extent of such assignment, have the same rights and powers and be subject to the same obligations and duties as are given to and assumed by CPV herein.

EXHIBIT C

Maintenance Standards

EXHIBIT "C"

Maintenance Standards

Because of the visibility of the Park to the entire Symphony Park Neighborhood, the Park is to be professionally maintained at all times in a first-class manner. The following is not intended to be an all-inclusive list of maintenance standard requirements but rather a guideline for the major systems and operations within the Park.

Turf Care

Lawn areas are to be cut on a regular mowing schedule with industry standard aeration, reseeding and/or sodding, and weed control.

Fertilizer

Trees, shrubs, turf, and floral plantings are to be fertilized using industry standards to assure the healthiest possible condition of all plants at all times.

Irrigation

All plants and turf are to be watered on a strict schedule in accordance with seasonal and specimen requirements utilizing an automated watering system. Any breaks in the irrigation system must be repaired and/or replaced as soon as is practical.

Litter Control

Trash pick-up and disposal of trash is to be on a minimum of a daily schedule. Trash receptacles should not overflow. Daily patrolling, as needed, should be implemented to prevent trash from collecting on the ground.

Pruning

A regular industry standard pruning schedule must be employed to ensure future health of plants as well as for the safety of guests at Symphony Park. Pruning schedules should be coordinated with the Symphony Park Master Association and other property owners within Symphony Park to assure a consistent and uniform level of care in keeping with the entire master plan development.

Disease and Insect Control

A regular maintenance program must be employed to prevent insects from infecting plants and turf. In addition, a regular spraying program must be employed in order to keep pest infestation (rats, roaches, etc) to a minimum.

Snow and Ice Removal

Although this occurrence is rare in Las Vegas, snow and ice must be removed immediately from walkways, stairs, and other pedestrian ways. In addition, plants and irrigation systems should be appropriately managed for protection from such winter events.

Lighting

Lighting in the Park should be regularly maintained, including fixture cleaning and lamp replacement as needed. All expired lamps are to be replaced as soon as is practical, especially security and pathway lighting.

Surfaces

All horizontal and vertical surfaces are to be kept clean and well maintained. Regular sweeping, cleaning, washing, and power washing schedules are to be implemented. Regular maintenance of walkways, floors, and stairways is expected and painted surfaces are to be maintained such that they are free from peeling, fading, and chipping.

Repairs

Items for repair are to be repaired as soon as is practical and in accordance with their level of safety concern. Items that pose a threat to the safety and/or well-being of the public are to be secured and repaired immediately.

Inspection

A regular visual and physical inspection schedule must be implemented to assure compliance, safety, and proper operation of all systems.

Floral Planting

If seasonal floral planting is implemented, such plants are to be well maintained, including fertilizing, disease control, pruning, weeding, and replanting or removal.

Special Features:

Special features such as (but not limited to) water features, drinking fountains, sculptures, speaker systems, flag poles, nets, screens, tables, benches, play units, signs and any equipment or special facility within the park is to be maintained using the same standards as mentioned hereinabove.
