Trevor Hayes
Addendum to Application

Please discuss your qualifications to serve on any boards, commissions, or committees:

I have been a Southern Nevada resident since 1992 and have always been interested in bettering the community. Many of my professional jobs have allowed me to take such a role (see attached résumé). After college, I worked as a newspaper reporter for the Associated Press and the Las Vegas Review-Journal before attending law school. After law school I began working for Lionel Sawyer & Collins as an administrative attorney, with a significant focus on local land use and state legislative matters.

The experience I gained representing the private sector before local governments has provided me with experience that would help me to serve the City of Las Vegas in a number of areas. I also represented another Southern Nevada city before the Nevada Legislature, providing me greater insight into city government. While my experience would assist me best on the Planning Commission, I am interested in serving on any of a number of boards.

Additionally, I am a 2005 graduate of the Las Vegas Citizens Leadership Academy. This program was run by the City of Las Vegas and introduced a group of citizens to a wide range of city departments.
