OF: NOVEMBER 2, 2011

MR. CALSO thanked the Council for such an important appointment within the City and promised to do a very good job for the Council as well as the community he serves.

COUNCILMAN COFFIN implored the qualified public to apply for boards and commissions. He stated that he wanted to make sure the committee was adequately representing golf courses. CITY MANAGER ELIZABETH FREW responded she could do a review the board's charge and their golf-related activities in order to brief him on that.
