RE: Case #103079

To Whom It May Concern:

This letter is to respectfully request a review of a condition on our special use permit attached to our Fabulous Freddy's location at 1101 South Ft. Apache Road in the City of Las Vegas. Specifically condition #3 of special use permit SUP-16911 prohibits the sale of individual containers of any size of beer, wine coolers or screw cap wine. We request that this condition be removed so that we are allowed to sale these types of products to our customers who demand that we carry them. Most every convenience store in Las Vegas is selling these types of containers and prohibiting us from being able to sell individual containers of beer or wine would significantly impact our business in a negative way.

We look forward to meeting with you to resolve this issue in a timely manner.

Sincerely,

Fred Smith
Owner/CEO
