EXPLANATION OF ACTION TAKEN TO PAY DELINQUENT PROPERTY TAXES

When the investors received the Notice of Public Sale of the property in January of 2010, Dave Fedel contacted Cathleen Baker, Deputy Treasurer. She was instrumental in setting up a payment program for the group. We began paying on a monthly basis. Dave Fedel began negotiations with Dr. Nakhle. The deal offered by the investors was that Dr. Nakhle was to pay \$ 15,000 toward the property taxes and the investors would allow him to quit claim the property to them without any deficiency filing. This would allow him to proceed with his medical practice without any negative effect to his credit rating. The negotiations went on for a year. During that time we were not apprised of any discrepancies with regard to the land.

When the deal was finally accepted and the second and third mortgage holders were dealt with, we ordered a new title report on the land and found the judgment which could not be overcome.

GOING FORWARD

The investment group has initiated the foreclosure proceedings and is prepared to bring the taxes current by January 1, 2012. We feel that due to the fact that we were not notified of the violation and allowed to correct the problem, we should not be fined. We realize that we are responsible for the cost incurred by the City for the clean up and are willing to remit that amount. We plan to acquire the property through the foreclosure and pursue development of the piece. Of course, we have a number of offers from architects and builders with very enlightened projects.
