Councilman—

I will need to make a minor correction to Condition #1 on Item #67 (EOT-42429) on today's agenda. The proposed condition change is as follows:

1. This request for an Extension of Time for a non-conforming Beer/Wine/Cooler On-Sale Establishment located at 2411 East Bonanza Road shall expire on ~~June 13, 2012~~ July 14, 2012 unless another Extension of Time is approved by the City Council.

The corrected date reflects the actual date that the license became inactive. Please let me know if you have any questions about this correction.
