*The impact on traffic & density will be addressed
 as additional traffic to be considered.
 With housing availability & low interest
 rates, how can this project not go into
 the ground / be a disaster or more?
 Also, resident involvement of Gov for LV*

This is not compatible to properties immediately to the west and north. Several properties in the neighborhood are valued at over 500,000 (even in this depressed market) by the county assessor. To increase this density of property will decrease values of my properties. It also goes against promises made by earlier commissioners.
