RE: Variance Application VAR-33989

We would like to go on record as apposing this request for a variance. This is located in a residential neighborhood and resembles a commercial structure.

This building is 86% larger than what is allowed by law
This building is 28% higher than what is allowed by law
This building is located up against the neighbors lot and is only 2 feet away
This building is basically ulgy and has already been constructed

If this type of variance is allowed it will lower the property values of our neighborhood.
These restrictions are for a reason and this type of flagrant abuse should not be allowed.

Sincerely,

Richard & Pamela Aniello
