To Whom it May Concern:

This letter is in reference to a project my neighbors, Henry and Shirley Sanchez, have begun on their property at 3018 Ashby Ave., Las Vegas, Nevada.

I am their next door neighbor to the east side of the Sanchez property and I have no problem with this project. Mr. Sanchez has kept me abreast with the project almost from the beginning and I am okay with the quality and the size of the building. Mr. Sanchez seems to be a qualified builder and I commend him on his venture.

I know that the Sanchez's are classic car collectors and want to continue with their hobby by the use of this building. They also have made other improvements to the property since they purchased the residence in June of 2006.
