To whom this may concern:

Please accept this letter as justification to Vacate an alley right-of-way bounded by Washington Avenue (south), Adams Avenue (north), D Street (west), and C Street (east) within the Valley View Subdivision dedicated in 1926.

This proposed Vacation is to clear up property rights for the Westside School which was constructed in 1949 and is listed as an historic structure. The alley has been abandoned since the construction of the school and does not serve any public purpose for the neighborhood. This action will resolve property ownership and clear encumbrances of this historic site.

Please feel free to contact me at 229-4848 should you have any questions regarding our request.

Respectfully,
