These houses on San Bernardino already have practically no residential back yard space - they are jettied right up to alleyways and commercial dirty back small lots - If you drive down that alleyway you'll see the filth

Sahara & Valley View is a very central part of the city - It (the area) should be commercially up & coming - But due to so many variances - It's unsightly there are too many Pay Day Cash stores. Too many disgusting massage parlors!! many pawn shops!! It's (this city) is embarrassing when family members come to visit
