PLANNING COMMISSION MEETING OF: AUGUST 13, 2009

Minutes:

CHAIR TROWBRIDGE declared the Public hearing open.

STEVE GEBEKE, Planning and Development, stated staff's inspection of the site revealed that it is not in conformance with the special use permit SUP-27082, which requires the parking lot to be restriped per site plan, date stamped 3/4/2008. Staff recommended denial, and if denied, the previously approved special use permit will be expired.

LENI SKAAR, 7404 West Sahara Avenue, appeared on behalf of the applicant. One of staff's conditions is the applicant must file for a review of condition on the original Condition 5, which allows the applicant to use the new parking lot layout as part of this use permit. MARGO WHEELER, Director of Planning and Development, confirmed that the applicant has filed such an application, which is ROC-35500. This review of condition is scheduled to be heard at City Council on 9/16/2009, which if approved, this application will be heard on that same day as well.

MS. SKAAR gave some history on the subject application pointing out that with the reconfiguration, the applicant is now able to provide 11 parking spaces which are striped. She confirmed for CHAIR TROWBRIDGE that the landscape area was relocated, and access on the passenger side has been restriped to a full street for van access. She also informed COMMISSIONER EVANS that with the modification, she believed there were no public safety issues. In addition, the approval of the ROC-35500 would allow for conformance. MS. WHEELER read the additional condition requiring a review period, as agreed upon by MS. SKAAR.

CHAIR TROWBRIDGE declared the Public hearing closed.
