Minutes:

TODD FARLOW made comments regarding J. Sterling Morton, founder of Morton Salt, who also founded the national Arbor Day, which is a holiday where individuals and groups are encouraged to plant trees. He recalled an event approximately 10 years ago where Las Vegas was designated as an arbor city. The City committed to planting trees and yet, a previous item heard today dealt with the applicant, City of Las Vegas, slacking on landscaping, which is pathetic and negates the City's commitment. Should the City of Las Vegas not follow through with landscaping, he felt the City should not be allowed to keep the arbor designation.

Meeting adjourned at 9:39 p.m.

Respectfully submitted,

Angela Crolli, Deputy City Clerk

Lean Coleman, Deputy City Clerk
