TO WHOM IT MAY CONCERN:

I Warren Cutler, a tenant of Willow Trail  
apartments and now at the present time manager  
of Willow Trail apartments. Feel that the proposed  
improvements that Andrew Frank, landlord of Willow  
Trail Apartment will be a great improvement to the  
neighborhood and make living conditions more flourish-  
able for tenants of apartment and for me.

I plan on living at Willow Trail apartments  
for a extended period of time. I particularly like  
the idea of the Land Land adding a park, Gates to  
entrance ways, new Land Scaping, desert landscaping  
lighting, new plants and the addition of nice new  
apartments.

Respectfully yours,  
Warren Ed. Cutler
