

Petition of Support

Support

We, the undersigned residents, occupants and/or property owners in the area of the currently unused property located on the north side of Gragson, the south side of Searles, roughly 600 feet west of Bruce Avenue (immediately adjacent to the Las Vegas Housing Authority property) wish to advise the City of Las Vegas of their support for the taxi yard to be developed by A Cab Taxi Company. We have seen the project's plans and are aware that this company operates on a 24/7 basis, but believe that this activity will help provide security to the neighborhood.
