Since the houses on Cashman do not fit the same category as the rest of Westleigh house (Cashman are custom), it should be considered part of McNeil and the remainder of Westleigh could be historic.

Subject: Westleigh Neighborhood Association

Comments:

As a lifetime resident of the Westleigh neighborhood I strongly oppose the request to designate this as an historical neighborhood. As a child I was raised in this neighborhood (1248 Barnard Dr) and as an adult I purchased a home (1238 Barnard) as I loved the area. I have lived here since 1960. We have upgraded and added to our home and I feel those moving in should be able to do the same without having a board dictating what one can do with their home. That should be left to the planning commission. Had I wanted to live in a neighborhood with an association I would have purchased in such an area. I do not see that this action benefits the residents of this neighborhood in anyway.

Thank You

Request to be entered into the record for the September 24th, 2009 Planning Commission Meeting

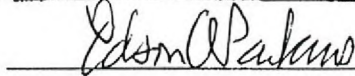

Dear Planning Commission Members,

Please accept this fax/letter as our opposition to:**ZON-34775; SUP-34776; SDR-34777**

Opposition to the encroachment of commercial parking and traffic disruption onto already congested Charleston Blvd and into single family zoned neighborhood.

Comments: This Rezoning Project (1) violates the Las Vegas Medical District Plan, amended 8/1/07, by going outside its bounds, without necessary public hearings by the Planning Commission and City Council; (2) It also violates Goal 2 of Neighborhood Revitalization of the Las Vegas Master Plan 2020; (3) It will cause even a more dangerous degree of congestion on Charleston Blvd than now exists in front of UMC, with both a high volume of cars entering and exiting Charleston to and from the proposed parking lot and all the people from those cars crossing Charleston to go to and from UMC. UMC already has a surface parking lot on the northwest corner of Charleston and Shadow – Use it optimally by building a parking garage. **This Rezoning Project is ill conceived, with almost no serious consideration or planning for its negative impact on the surrounding community and should not be approved. The negative impact on already-heavily congested eastbound Charleston Blvd will be a disaster.**

RE: ZON 34775 SDR34777 SUP-34776

We have lived in the Scotch Eighties for many years. Like so many others in this neighborhood, we love our community and would like to keep it from deteriorating. How can that possibly happen if UMC is given permission to have a 24/7 parking lot that exits into our neighborhood. We have tried for over 12 years to get this neighborhood gated and have had very little, if any help with that process, and now we are expected to sit back while you allow more unwanted traffic coming through our streets. If you think that won't happen, you are sorely mistaken. Charleston is already so busy now, that it is gridlock most of the time. We don't need, nor do we want, any further invasion of our neighborhood, not to mention the amount of jay walking that will be a constant issue slowing traffic even further.

Please do the job you were elected to do and protect our neighborhood by denying the rezoning of the properties located at 1128 Shadow Lane and 1823 W. Charleston Blvd. The owner of these two properties also owns 5 additional properties adjacent to these, which he will be motivated to rezone if these two are approved. Our neighborhood will practically start to disappear overnight if you allow this to happen. Please see the big picture and stop it now.

Kent & Barbara Hofsommer
