Subject: TXT-34878 (Early Grading Procedures) for 10/8 PC - Request to Table

Nora – Please allow this email to serve as the official request to have the above referenced case Tabled at the 10/8 PC meeting. It has been determined that more work needs to be done and that revisions may not be timely enough to hear the item within the additional time request previously. Please let me know if there are any questions or if more information is required.

Thanks - Robert
