Minutes:

VICE CHAIR TRUESDELL declared the Public Hearing open.

MARGO WHEELER, Director of Planning and Development, explained that the state law was changed during the last Legislative Session with regard to new requirements in the area of Historic Preservation. In this case, the proposal is to specifically add a member, experienced in the archeological profession, as a requirement for the Historic Preservation Commission (HPC), whereas, previously there was a provision for a historian or archeologist. The language will also be changed with regard to membership. These changes are in Title 19; therefore, it requires a Text Amendment.

VICE CHAIR TRUESDELL declared the Public Hearing closed.
