**** STAFF REPORT ****

PROJECT DESCRIPTION

This is a request for a Special Use Permit for a Package Liquor Off-Sale Establishment within an existing building at 780 South Rampart Boulevard. The applicant wishes to operate a liquor shop which will feature a variety of wines from a variety of regions. A majority of the floor space within the 10,565 square-foot shop will be dedicated to the display of wine in wooded wine racks, while the remainder of the store will feature sales of wine accessory merchandise, a large beer cooler area, and display shelves for specialty wines and liquor. Currently, the site consists of a vacant building within a large commercial center.

The addition of the proposed use will contribute to an oversaturation of the use within the Boca Park development; therefore, staff recommends denial. If denied, the proposed use cannot locate at the proposed address.

ANALYSIS

The Boca Park Phase III Development Plan calls out the allowed uses in the PD (Planned Development) zone of Boca Park. The allowed uses are listed as "Retail", and it has been deemed that a Package Liquor Off-Sale use falls within this "retail" use, as similar uses have been established within the subject site.

The applicant states that the proposed business will sell package liquor for off-site consumption. The plans indicate that there will be multiple racks and display areas for liquor and wine. In addition, the suite will feature a large beer cooler, as well as a wine cellar area for tasting events.

Staff finds that the proposed use meets the minimum Title 19.04.010 and the Boca Park Phase III Development Plan standards for this use; however, there is an oversaturation of off-sale liquor uses within a 1,500-foot radius, including two Package Liquor Off-Sale Establishments, two Liquor Establishment, Taverns and an On and Off Sale Beer/Wine/Cooler Establishment; therefore staff recommends denial of the request. If denied, the proposed use would not be permitted in the proposed location.

FINDINGS

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

- The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

SUP-35891 - Staff Report Page Five
October 22, 2009 - Planning Commission Meeting

The subject proposal will not be harmonious and compatible with existing surrounding land uses and with future uses as projected by the General Plan because of the oversaturation of the use within the notification area.

2. The subject site is physically suitable for the type and intensity of land use proposed.

The subject site is within a large shopping center, and is therefore physically suitable for the type and intensity of land use. However, approval of the request would contribute to oversaturation of the use in the immediate area.

3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.

The site is served by Rampart Boulevard, designated as a 100-foot Primary Arterial by the Master Plan of Streets and Highways. This thoroughfare is capable of accommodating the traffic flow created by the site and the use.

4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.

Approval of this request will not compromise the public health, safety or welfare of the general public.

5. The use meets all of the applicable conditions per Title 19.04.

The Package Liquor Off-Sale Establishment use meets all standard conditions that apply pursuant to Title 19.04.
