This would be an outrageous intrusion on a quiet, peaceful residential neighborhood. Commercial enterprises must be confined to the east side of Tenaya. In addition, it would create a hazard to children crossing the streets to and from school.

Comments: Dear Commissioner Flangas,
I am writing to you today in **opposition** of GPA 35866 and ZON 35867 that will heard by the City of Las Vegas Planning Commission on October 22, 2009.
There is plenty of commercial opportunity on the east side of Tenaya Road, without having commercial activity, especially a fast-food restaurant with a drive-thru to encroach on the rural estates that are located on the west side of Tenaya Road.
We moved to this area to enjoy the rural estate lifestyle. I have no problem with commercial and the services that are provided on the east side of Tenaya. That is a natural buffer to the US 95. However, commercial establishments should not be allowed east of Tenaya. Once one piece goes commercial, there will be more and more applications up Craig Road towards Durango.
Additionally, a fast food establishment is not a compatible use with the cemetery located next door. I have friends that are buried there, both canine and human, and find that this type of use will ruin the sanctuary that the cemetery offers.
I am writing to request that you oppose these items.
Sincerely,

Julie Chadburn
